

C.V

Name: Dr. Yehya Kamal Al-Bayati

Specialization: Chemistry

Position: Academic

Scientific Degree: Professor of chemistry science, Baghdad University
Analytical chemistry, Ion selective electrodes, Molecularly imprinted polymers (MIPs), chemical sensors, Spectrophotometry

Work Address: Chemistry department/college of science/ University
Of Baghdad (Manager of center market research and consumer protection)

Member of the committee in the Iraqi chemists syndicate.(Settings)

Date of Birth: 1975

Marital status: Married

Address: Baghdad / Al-Sayyidia

Number of children: 3

Religion: Muslim

Specialty: Chemistry

E-mail: yahyaalbayti@yahoo.com

Mobile: 9647701340146 , 9647905240456

First: Scientific Certification.

Degree science	University	College	Date
B.Sc.	Baghdad	Science	1999-1993
M.Sc.	Baghdad	Science	2000-2002
Ph.D.	Baghdad	Science	2006-2010

Second :University Teaching.

No.	University	The (Institute /	From -To
1	Al-Nahrain	Science	2017/6/1-2015/9/1
2	Baghdad	Science	2002/9/17

Third: Administrative hierarchy.

No.	(Institute / College)	University	From -To
1	Baghdad	Science	Director of the Follow-up Unit in the Division of Studies, Planning and Follow-up according to Administrative Order No. 3797 of 10/5/2016
2	Baghdad	Science	Director of the Division of Studies, Planning and Follow-up by Administrative Order 16/5515 on 19/7/2016
3	Ministry of Industry and Minerals	Research and Development Authority / Center for Textile Research and	Scientific consultant according to the book number number / 110/3445 on 13/9/2017
4	Baghdad	Science	(Manager of center market research and consumer protection)

- **Fourth:** Patent within the mechanism of cooperation between the University of Baghdad / Faculty of Science and the Ministry of Health / Department of Forensic Medicine to detect and estimate drugs in the body of users and another patents.

Name of Patent	Year of
A new method for estimation of methamphetamine(CHERSTAL) using molecularly imprinted polymer technique based on different functional groups	2017
A new method for the estimation of Amphetamine using molecularly imprinted polymer technique based on various	2019
Improving the specifications of Iraqi oil stock40 \ stock60 type using the Schiff base polymers	2020
A new method for determination trace amounts of cocaine based on the molecular imprinted polymer technique using different functional groups	2021
Synthesis and characterization of new oxazepine compound and Estimation its anti-Shistocerca Gregaria	2021
Effect of using Cordia myxa crude extract creams in wounds and burns treatments	2021

■ **Fifth: Membership of scientific bodies and local committees.**

- 1- Editorial member of the Consumer Voice Newsletter.
- 2- Editorial member of the Iraqi Journal of Market Research and Consumer Protection
- 3- Member of the editorial board of the Iraqi Trade Journal.
- 4- Member of the Department Council in the Department of Chemistry/College of Science/University of Baghdad.
- 5- Supervising postgraduate students inside and outside Iraq.

- 6- A member of the discussion committees for theses and theses (PhD and Masters) in many universities.
- 7- Evaluation member for many scientific research inside and outside Iraq.
- 8- Member of the Examination Committee.
- 9- Member of the comprehensive doctoral exam committees.
- 10- Member of the summer training committees.
- 11- Member of the committees to discuss the research plan of master's and doctoral students.
- 12- Member of student graduation committees.
- 13- Member of the committees for receiving theses and theses for master's and doctoral students. **Sixth: Scientific activities and achievements**

Activity title	The details
Member of the editorial board of an Iraqi journal	Member of the Editorial Board of the Iraqi Journal of Market Research and Consumer Protection / University of Baghdad
Member of an advisory board, Iraqi journal	Member of an advisory board in the Iraqi Journal of Industrial Research / Ministry of Industry and Minerals
Member of the editorial board of an Iraqi journal.	Member of the editorial board of the Iraqi trade journal.
The golden prize	Recipient of the gold award in the first conference of applied research and patents
The Golden Medal	Obtaining the Gold Medal at the First Conference on Applied Research and Patents
Shield Sharing	Holds the participant's shield from Kashan University / the Islamic Republic of Iran
The Golden Medal	Awarded the golden medal in the exhibition of patents and industrial models / Ministry of Industry
The shield of excellence and creativity	Obtain the creativity and excellence shield from the flow injection team
Consumer Protection Shield	Holds the shield of consumer protection at the seventh national conference for market research and consumer protection /

	University of Baghdad
The shield of creativity and distinction	Holds the creativity and excellence shield from Unilever International
International Conference Shield	Holds the shield of the International Conference on Chemistry / University of Basra
The shield of creativity and distinction	Holds the shield of creativity and excellence in the first conference of applied research and patents
The shield of creativity and innovation	Holds the creativity and innovation shield from the Central Organization for Standardization and Quality Control / Ministry of Planning
Scientific consultant	Scientific consultant member at Al-Modira Center for Textile and Leather Research / Ministry of Industry and Minerals
Member of the Ministerial Committee	Member of the Coordinating Council for Community Service with State ministries and universities
General supervisor of the establishment of the seventh national conference for market research and consumer protection	Establishing a national conference in cooperation with the General Directorate of Industrial Development / Ministry of Industry and Minerals
Member of the Academic Leave Committee at the University of Baghdad	Nomination for study leave
Member of the Board of Directors of the Natural and Agricultural Sciences at the University of Baghdad	Development and follow-up of the academic, scientific and research aspects
Cooperation with the General Secretariat of the Council of Ministers	General supervisor of the seminar tagged (maximizing state resources and investment as a path to sustainable development)
Coordination to sign the scientific agreement between Baghdad University and the Turkish Middle East University in 2010	Scientific and academic agreement
Member of the committee for preparing and drafting the strategy document for the Standardization and Quality Control Authority / Ministry of Planning	Prepare future visions to ensure consumer protection
Member of the Board of Directors of the company in the Ministry of Industry and Minerals	Member of the Board of Directors of the General Company for Construction Industries / Ministry of Industry and Minerals
Carry out an applied research with the General Company for Construction Industries / Ministry of Industry and Minerals	Research tagged (dioxins harmful to humans and the environment)
Performing an applied research with the Industrial Research and Development Authority / Ministry of Industry and	Research tagged (study and evaluation of the waste associated with the tanning process and methods of treating some of

Minerals	them)
Implementation of an applied research with Al Furat State Company for Chemical Industries and Pesticides / Ministry of Industry	Search tagged (assessing the impact of the marketing policy on the Al Furat State Company for Chemical Industries and Pesticides)
Member of preparing a technical study at the General Company for Construction Industries / Ministry of Industry and Minerals	Preparing a technical study on the subject of reliability of checks and quality of plastic tubes
Logistical support for some colleges affiliated with the University of Baghdad to obtain medical masks to prevent disease Logistical support in distributing educational volumes about Corona virus	Four faculties, including Science and Science for Girls, Science, Agricultural Engineering, and Ibn Al-Haytham College of Education and Pure Sciences, obtain preventive medical respirators through cooperation with the leather and textile industries / Ministry of Industry
Logistical support in distributing educational volumes about Corona virus	Distributing educational folders on Corona virus to the formations of the University of Baghdad through cooperation with the Health Control / Ministry of Health
Member of writing the national strategy to combat drugs in Iraq	Within the ministerial team in the National Security Advisory and the representative of the Ministry of Higher Education and Scientific Research
Member of preparing the national policy for industrial security in Iraq	Within the ministerial team in the National Security Advisory and the representative of the Ministry of Higher Education and Scientific Research

Ninth: Cooperation Mechanisms

	The title of the mechanism	The details
<u>1</u>	Coordination on signing a scientific cooperation mechanism between Baghdad University and the Turkish Middle East University in 2010	Scientific and academic agreement
<u>2</u>	Mechanism for cooperation with the Ministry of Health and Environment in the field of drugs	Carrying out applied research and tagging (preparation of a polymer molecular edition for solid phase extraction and estimation of methamphetamine GC / MS in administration)
<u>3</u>	A cooperation mechanism with the College of Business Economics / Al-Nahrain	Establishing the tagged system (the current financial situation in Iraq and the future of the Iraqi-Chinese agreement)

	University	
4	A cooperation mechanism with the Industrial Research and Development Authority / Ministry of Industry and Minerals Cooperation mechanism with the General Company for the manufacture of medicines and medical supplies / Samarra / Ministry of Industry and Minerals	Joint committees to hold the conference
5	Cooperation mechanism with the General Company for the manufacture of medicines and medical supplies / Samarra / Ministry of Industry and Minerals	The conclusion of a contract for a tagged doctoral student (Preparation and study of polymeric membranes to designate and estimate anti-bacterial drugs in pharmaceutical preparations using the polymeric selective polar method)

Tenth: The number of thanks and appreciation books from outside the Ministry of Higher Education

- 1- A letter of thanks and appreciation from the Minister of Health (1).
- 1- A letter of thanks and appreciation from the General Manager of the General Company for Construction Industries / Ministry of Industry and Minerals (3).
- 2- A letter of thanks and appreciation from the General Manager of Al Furat State Company for Chemical Industries and Pesticides / Ministry of Industry (2).
- 3- A letter of thanks and appreciation from the Director General of the Forensic Medicine Department / Ministry of Health (1).
- 4- A letter of thanks and appreciation from the head of the Central Organization for Standardization and Quality Control / Ministry of Planning (1).

Eleven: Statistics and data

	information and data	detail		
1	Number of subjects taught in primary and postgraduate studies	priority	upper	
		3	3	
2	The number of letters and theses he supervised	Master's	PhD	diploma

		11	5	---
3	The number of letters and theses he discussed	Master's	PhD	diploma
		31	21	-----
4	The number of theses and theses scientifically evaluated	Master's	PhD	diploma
		8	5	-----
5	The number of conferences he participated in inside and outside Iraq	Inside Iraq	Outside Iraq	
		17	-----	
6	The number of workshops, seminars and seminars he participated in inside and outside Iraq	Inside Iraq	Outside Iraq	
		30	1	
7	Number of research published in journals and conferences inside and outside Iraq	Inside Iraq	Outside Iraq	
		15	22	
8	The number of scientifically evaluated research inside and outside Iraq	Inside Iraq	Outside Iraq	
		54	8	
9	The number of awards and certificates of appreciation inside and outside Iraq	Inside Iraq	Outside Iraq	
		15	1	
10	The number of development and training courses he participated in	Inside Iraq	Outside Iraq	
		9	1	
11	Contribution numbers in a Community Service	research consultancy contracts	Seminars and workshops	
		2	5	
12	The number of committees for the	Comprehensive Exam	Competitive Exam	

	comprehensive examination and competitive examination for admission to graduate studies	7	1	
13	Number of thanks and appreciation books	Minister	President of a University,	Dean of College
		5	12	30

Twelve: languages.
