

**Name: Dr. Dalal Saleh Al-Rubayai**

**Date of Birth : 1971**

**Religion: Muslim**

**Address: Baghdad \ 911 \ 17**

**City and State: Baghdad \ Iraq**

**Phone number: 07802787124**

**E-mail address: [dr.tbdalal@gmail.com](mailto:dr.tbdalal@gmail.com)**

### **Education:**

- **First school name and address: Al-Wahda \ Baghdad \ 1983**
- 
- **Second school name and address: Al-Ahrar \ Baghdad \ 1986**
- 
- **Second school name and address: Al-Huda \ Baghdad \ 1989**
- 
- **Bachelor: College general Vet. Medicine and Surgery \ Baghdad University, 1994.**
- 
- **Msc: Medical microbiology \ College of Medicine \ Al-Nahrain University, 2002.**
- 
- **Ph.D : Medical microbiology \ College of medicine \ Al-Nahrain University, 4-12-2011.**

## **Experience:**

- Appointment : 8\10\1994. Baghdad University
- I am a lecturer in biotechnology department, had an experience in teaching gene therapy, histology and microbiology and physiology for level 4 , 2 and 3 respectively.
- Working in Tissue culture media preparation during my Msc. And working in DNA microarray during my Ph.D research.
- Training in microarray in Edinburgh University as academic visitor for 8 months, and attending 2 conferences .
- Language : Arabic & English
- Working in Computer very well, excel, words and power point.

## **Conferences and Seminars:**

- Attending as a poster presentation in MEMBS conference in 17-21\9\2015.
- Attending as a speaker in MEMBS conference in 13-17\9\2014.
- Stem cells and future prospects Seminar – tropical biological research unit. 2013\6 May.
- Certificate of participation from Al –Mustansiriyah medical college \ Eight scientific conference March 2013.
- Certificate of participation from Al-Nahrain college of medicine \ 8<sup>th</sup> scientific conference \ Baghdad 5<sup>th</sup> - 6<sup>th</sup> may 2013.
- Certificate of Participation ( training on principles and application of flow Cytometry), biotechnology research center \ Al-Nahrain University Baghdad \ Iraq \ Mar. 10<sup>th</sup> - 14<sup>th</sup> 2013.
- Two Conferences, seminars and several Journal club during 2010 in uk in edinburgh ( during my scholarship in uk \ pathway medicine \ Edinburgh University \ 2010).

## **Publications:**

- a) **Prevalence and etiology of urinary stones in hospitalized patients in Baghdad**, Eastern Mediterranean Health Journal, Vol. 12, No. 6, 2006. D.S. Qaader, S.Y. Yousif and L.K. Mahdi.
  
- b) Dalal Saleh Al-Rubaye, Grace Henihan, Ameraa K. Abas Al-Abasly, Amie-Louise Seagar, Azhar Ab. F. Al-Attraqchi, Holger Schulze, Dhafer Salman Hashim, Jinan Khalid Kamil, Ian F. Laurenson, Till T. Bachmann  
**.Genotypic assessment of Drug Resistant Tuberculosis in Baghdad and other Iraqi provinces using low-cost and density (LCD) DNA microarrays.** Journal of Medical Microbiology, 10.11.2015.
  
- c) **Nanobacteria as a novel bacteria in stone formation. Published in Mediterranean journal.**
  
- d) **Molecular Study of Azithromycin-resistant *P. aeruginosa* isolates from Baghdad Hospitals**, Iraqi Journal of Biotechnology, 2015, No. 139.
  
- e) **Phylogenetic analysis of *Streptomyces* spp. Exhibited different antimicrobial activities**, *Iraqi Journal of Science*, 2016, Vol. 57, No.1B, pp: 397-403.
  
- f) **Frequency of *blaOxa10* Beta-lactamase gene in *Pseudomonas aeruginosa* isolated from different clinical swabs**, *Iraqi Journal of Science*, 2015, Vol 56, No.4C, pp: 3405-3412.
  
- g) **Genotyping of *Klebsiella* spp. isolated from different clinical sources.** *Iraqi Journal of Science*, 2016, Vol. 57, No.3B, pp:1937-1951
