

Curriculum Vitae

NAME: Tareef Kamil Mustafa

طريف كامل مصطفى الكليدار الشيبلي

Birth: Baghdad 1963

Languages: English, Arabic

Contacts: tareef_alshaibi@yahoo.com

Nationality: IRAQ

Specialty: Data mining / System Analysis / Database / Research
Calibration

Qualifications:

- PhD Computer Science Malaysia-UPM faculty of computers science and information technology 2011.
- MSC Computer Science / Technology University, IRAQ.
Thesis Title: *Data warehouse & Data mining in Political Questionnaire Systems 2005.*
- BSC Statistics / Management & Economy College / Baghdad University, IRAQ 1987.

Publications & Conferences:

- International Journal of Computer Science and Mobile Computing. IJCSMC, Vol. 3, Issue. 6, June 2014.
"Burrows-Delta Method Fitness for Arabic Text Authorship Stylometric Detection", India 2014.
- Gold medal in the PRPi10 2010 (To Serve As Platform For Research Products With Commercialization Potential ... Pameran Reka Cipta·Penyelidikan & Inovasi) 2010.

- Journal of Computer Science, JCS Vol 6 (3): Pp 235-243, 2010, "Dropping Down the Maximum Item Set: Improving the Stylometric Authorship Attribution Algorithm in the Text Mining / Authorship Investigation", **USA**, 2010

- International Journal of Computer Science and Network Security **IJCSNS** 2009, Vol.9, No.3, "Computational Stylometric approach based on frequent word and frequent pair in the text mining authorship attribution", **Korea**, 2009

- The Ninth International Conference on Intelligent Technologies proceedings, "measuring the Stylometric Authorship Attributes in Text Mining: Review for the authorship investigation techniques", Samui **Thailand**, October 7-9, 2008

Certification & Training Courses:

- National Computer Center / Iraq / Baghdad: 1995 – 1999 train courses in:

BASIC, Visual Foxpro , java, Networks, Primary maintenance, Office Applications.

- International Training Center for Training / Jordan / Amman 1994 Structure Query Language Plus.

- Computer School / Baghdad: BASIC, Fortran, COBOL, C++

Specialties & Experience

Information Technology, Database System Analysis with Conventional & modern Database programmer, Data Mining, System analysis, Data warehouse, Statistics, several Programming languages (java, C++, Pascal, Visual basic....)

Occupations:

Teaching Staff member in Computer Dep. / Science College / Baghdad University 2011 till now.

-PhD graduate research fellowship in UPM faculty of computers and information technology, Malaysia, 2007-2009.

- Part time Lecturer in IIUM (international Islamic university) Malaysia 2009.

- Teaching Staff member in Computer Dep. / Science College / Baghdad University 2005-2007.

- Database manager and Designer for The System Monitoring of oil Products Trades on behalf of the Iraq Ministry of Oil / SOMO / Sabbrah Co / 2004-2005 / sub contract with PWC Kuwait. The company has a branch in UAE

- IT & Database manager and Designer for Cost Projects system / Consolidated Group Contracting Company CGCC 2003 / has a branch in UAE.

- Lecturer in Computer School / Ministry of defense / for subjects including IT & Database Soft wares & System analysis 1996-2002.

- Programmer & System Analysis in the Directory of Computer Systems / Ministry of defense / 1993-1995.

Database Systems Designed :

- Oil products Trades Monitoring for SOMO/ Iraq Oil Ministry 2004.

- Cost Projects system/ Consolidated Group Contracting Company CGCC 2003.

- Stock Control System for Alkhazragy Automobile Tires Co. 2002.
- Accountancy System - Baghdad Perfume & cosmetics Co. 2001.
- Consultancy & Training for the Directory of food Trading 2000.
- Shareholders System for Babel Co. for food industry 1999.
- Stock Control System for alresafa Luna park Co. 1998.
- And many others.
